

## Transportation Improvements – Florida at Work

## Sunset Drive Bridge #2, City of Miami Beach

## **Project Summary**

The Sunset Drive Bridge #2, 876708, was built in 1926. The bridge is located in the Sunset Islands in Middle Beach, and connects West 22<sup>nd</sup> Street to West 23<sup>rd</sup> Street. A bridge inspection report conducted by FDOT rated the Sunset Drive Bridge #876708 with a sufficiency rating of 69.3. Sufficiency ratings determine the functionality of the bridges and range between O and 100, with a rating of 100 assigned to a new bridge. Other factors are also considered when determining the condition of a bridge, such as its load capacity and whether it is deemed structurally deficient. This project proposes to rehabilitate the Sunset Drive Bridge #2. Repairs required for the Sunset Drive Bridge #2 include the following: seal cracks at deck top and patch up spalls at deck underside; repair cracks, delaminations and spalls at beams; repair spall with exposed bent steel.

## Fast Facts

This project will provide for a safe and secure bridge for motorists, bicyclists, and pedestrians.

Costs:

Construction/Inspection-

\$340,443

Project Total -\$340,443

Jobs Created/Supported

Estimated: 12-15

Schedule:

Contract Award: June 2009

Construction Start:

July 2009

Anticipated completion:

December 2009

This project is being funded through the

American Recovery and **Reinvestment Act of 2009**
